

Unite

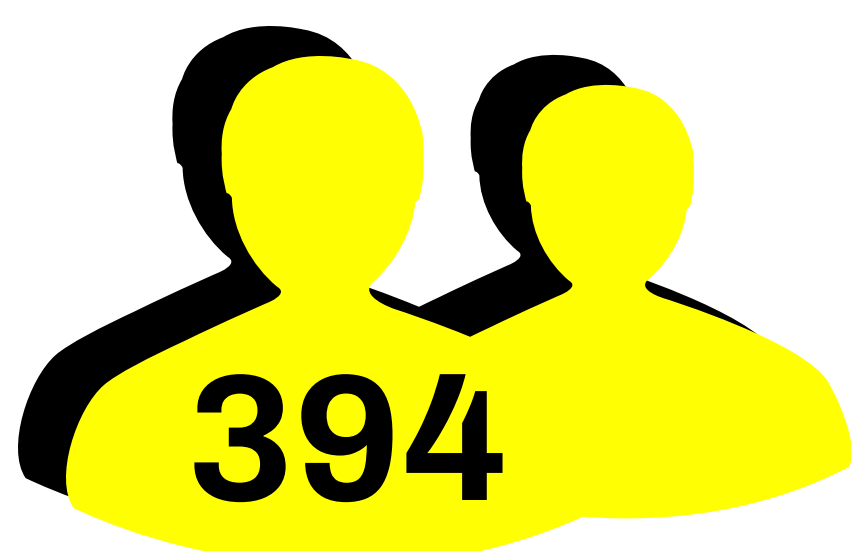

Phase 1

Working closely in partnership with New Vic Theatre and Port Vale Foundation Trust, we have been connecting to communities across Stoke, Newcastle-under-Lyme and the Staffordshire Moorlands to discuss and explore the topics of faith, race, hate, British values, and cultural celebration.

The Unite project brings together a range of sport, community, and educational services; embracing cultural diversity and ethnic appreciation.

Below is a list of the contributions towards the 'Unite: It's not as simple as black and white' programme.
