Ageism

Age is not a barrier

The background features a light grey base with large, overlapping organic shapes in muted green and brown. In the top left, there are stylized, layered patterns of foliage in shades of grey and brown. A white, wavy line curves across the bottom right portion of the image.

How will you
solve ageism?

NOW IT IS YOUR TURN...

I come from a community in which younger generations are often overlooked. I and many others lack opportunities due to the negative ideology surrounding young people today. How would you change things to allow more opportunities for young people like myself?

Feedback

After critically examining the pitches that were received this morning...

The background features a light gray base with several abstract elements: a large, solid olive-green shape on the right side, a large, solid terracotta shape on the bottom left, and a white line-art illustration of a leafy branch in the top left corner. The text is centered in the middle of the page.

Thank You !
