Supporting Social Entrepreneurs

Supporting Social Entrepreneurs.

Breaking Down Barriers: Strategic Framework

Mission

We find social entrepreneurs with bold solutions to today's challenges. Through funding and support, we help them realise their potential and create lasting change.

Vision

A future where enterprising people are transforming the world for good.

Values

- Inclusive
- Accountable
- Brave

Goals

Led by social entrepreneurs

Social entrepreneurs will set our ambitions alongside us, working together on our governance, support, and influence

Funding for impact

We will work with social entrepreneurs with the most potential for impact in communities across the UK, who embody our values and principles

Market leading support

We will provide market leading support to social entrepreneurs to collectively build a more inclusive, equitable and sustainable society

Campaigning for a just world

We will make the UK the best place to be a social entrepreneur, by breaking down the barriers they face

Strategies

Impact

Support, fund and collaborate with social entrepreneurs with most potential for impact

Inclusion

Use our power, privilege & platform to dismantle structural inequalities

Continuous learning

Align ourselves to SEs, adapting our support and funding models to drive impact & inclusion

Collaboration

Work with SEs and partners to build an environment where SEs can flourish

Org health

Build strong foundations with employees & culture at heart, operating in a sustainable way
